This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some minor discoloration and faint, illegible markings, possibly from the reverse side or due to age. The left edge of the page shows the binding structure, including stitching or stitching holes. The overall tone is a warm, off-white or light beige.

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf from an old book. The paper has a slightly textured appearance with some faint horizontal lines and small dark spots, possibly due to age or scanning artifacts. A small, dark, irregular mark or tear is visible near the bottom center of the page. The overall tone is a light beige or cream color.
